

# EACN NEWS - APRIL 2018

Dear Parents,

Happy Spring! Thank goodness we are through the worst of the cold and flu season; I think EACN fared pretty well considering the severity of the season. Hopefully as the weather warms up, we can all get outside for some much needed fresh air!

Look for Parent Surveys sometime in April. please help us by returning those in a timely manner. This is the time to put in for a schedule change if needed over summer and for next Fall. Once reviewed, summer enrollment will be released sometime at the end of June. Class placements for next September will be confirmed mid- August.

Parent/teacher conferences will be available in May. See your child's teacher to sign-up for these times. The teachers have worked hard to provide information regarding your child's development. Portfolios are provided in many classrooms and I'm sure will make you very proud. As always, please do not hesitate to contact us for questions regarding our curriculum and/or child assessments.

Happy Spring to all!

Sincerely,

Karie Kelchlin  
Director
